Make an Investment in Young Lives

Just Kids has established the Just Kids Early Care & Education Endowment Fund with the Community Foundation of the Great River Bend to ensure the continued success and growth of our organization. Just Kids offers you the opportunity to make a gift to the fund which will provide a permanent source of support for our mission: to invest in children and families and be a leader in early childhood advocacy through providing affordable, accessible and high-quality early care and education services.

Your participation in supporting our endowment fund is crucial in helping Just Kids provide essential services to hundreds of children and families. Your donation today will help us improve, expand and maintain the quality of programs we provide - which makes our community an even better place to live and work.

All gifts made to Just Kids are tax deductible. Please consider making a contribution today, or giving a gift in honor of a loved one.
