

A Note to Families: Summer Is Around The Corner! (4/29/10)

Parents – Here is a list of helpful reminders about summer activities at Just Kids. If you have any questions about these issues, please speak with the office or with your child's teachers. We appreciate your cooperation and we're excited for a great summer!

Footwear

Appropriate footwear is essential for safe play during the summer. While many children may want to wear flip-flops, sandals or crocs, tennis shoes must be worn for outdoor play each day.

Sunscreen

It is required that sunscreen be applied to all children under 24 months and we highly recommend that all other child wear sunscreen while at Just Kids. After signing the sunscreen permission form, you have the option of purchasing sunscreen for your child (SPF 50) through Just Kids for \$5.00 for the entire summer OR providing your own. *Please note that NO-AD SPF 45 and 60 is no longer available. We are switching to Walgreens Brand SPF 50 or Baby Banana Boat SPF 50. If you signed a sunscreen permission form for the NO-AD brand, you will be asked to sign a new form. We apologize for the inconvenience.

Field Trips

Field trips are fun and vital summer experiences. All children 3-5 years of age will be attending off-site trips weekly. You will receive a calendar of all summer field trips and events from your child's classroom. Just Kids is charging a \$40.00 fee for the entire summer which covers the cost of 9 trips. This fee will be added to your tuition account. Please remember these important reminders about field trip procedures:

- Parents must sign a permission form before each field trip. Your child will not be allowed to attend the trip unless you sign the form. These will be attached to the sign-in sheets each week.
- On field trip days your child will need to be in his/her classroom by 8:30 a.m.
- Children who are late on a field trip day will be sent home until their class returns to Just Kids. We do not have extra room or staff for children who miss the bus for the field trip.

Water Day

Several of the classes will be having weekly water days. Please check the summer event calendar for your child's classroom to determine these days. On water days your child will need a swim suit, towel (marked his/her name), a sturdy pair of shoes that can get wet and an extra pair of clothes to change back into after water play.

Summer Schedule Changes - If your child will be leaving for the summer or you know when you will be taking a vacation please list it below and return to the office.

Child's Name _____ Parent Signature _____
Leaving for Kindergarten _____ Leaving for Just the Summer _____ Vacation _____
Date: _____ Dates: _____ Dates: _____
